Motion to adopt July 2022 minutes

Financial Report –Accepted. Sales tax revenues and ABC distributions continue to be strong. After the first month of the new fiscal year, expenditures exceed revenues in the General Fund. This is due to many yearly renewals that are paid up front such as insurances, communications, and workers comp. Auditors are working diligently to finalize the audit. Excess funds were transferred into the City's investment portfolio to maximize the interest proceeds.

Mayor's Report – N/A

Administrator's report – Purchase orders and budget amendments were reviewed. Once again, the City has an opportunity to receive grant funding to aid in the placement of the SRO at Locust Elementary. Also, the City has been approached and asked if we can cover the cost of a metal detector at the front entrance to Locust Elementary. The cost should not exceed $4,000. The budget allows and funds are available to make this purchase.

M/S/A Council Members Roger Hypes and Harry Fletcher **(7-0)**
Motion to approve purchase of metal detector not to exceed $4,000 for Locust Elementary

Motion to set public hearing for 9/8/22 meeting for Riley's Retreat conditional rezoning

Public Comment – Resident Michael DeSantis of the Whispering Hills neighborhood spoke on the projected completion of his neighborhood and the amenities as promised. Resident Heather Carlson spoke about the sewer rates. Wants to know what can be done to adjust the rates for those who are watering their lawn. The builders lay sod and it needs to be watered but doesn't think it's fair to pay sewer rates for watering lawn. Looked in am irrigation meter but that cost was about $1,500. She also

spoke on the promised amenities in the Whispering Hills neighborhood. Wants somewhere for kids to play to keep them out of the roads.

Board Closing Comments: Good to see lots of people here. Thank you to those who spoke and brought their concerns. Looking forward to the new businesses.

OFFICER OF THE MONTH

AUGUST 2022

Detective Sergeant Brittany H. Tucker

For August, Detective Sergeant Tucker made, facilitated, or assisted arrests made and/or warrants obtained for five incidents including an identity theft suspect who was wanted in multiple states by Federal authorities. Sergeant Tucker's investigation assistance also resulted in an arrest made and charges obtained for a forgery and uttering suspect in four Locust incidents including a May incident that the department had originally closed believed to be with all leads exhausted. It is also noted that one Locust officer specifically pointed out Sergeant Tucker's contributions to department operations earlier this summer stating, "Sergeant Tucker in my opinion has done an outstanding job in handling everything she does. There is a lot she does that we don't see as road officers, and I would like to see Sergeant Tucker as Officer of the Month. She deserves it due to her outstanding job she does behind the scenes."

MEMORANDUM

Date:	September 6, 2022, 2022
From:	Cesar Correa, City Administrator
To:	Mayor & City Council
Subject:	Zoning Amendment (Conditional) – Stanly County PIN#: 557504821726

BACKGROUND & PETITION INFORMATION

On June 28, 2022 the City of Locust received an application for a Conditional Zoning Amendment (Exhibit #1) for the property shown on the attached zoning map (Exhibit 2). The specifics of the rezoning application are as follows:

Applicant: Rebecca Thompson

Owner Information: Ranger Properties LLC

Existing Zoning: Highway Commercial (HC)

Proposed Zoning: Highway Commercial – Conditional (HC-C)

Permitted Uses: All uses permitted in the Highway Commercial zoning district as shown in Article 2 Section 5 Use Table of the City of Locust Land Development Ordinance, would be permitted on the subject property. The proposed use *Pet Care Services – Kennels Only* is a conditional use in the Highway Commercial District.

Parcel ID Numbers: Stanly County PIN#: 557504821726

Area in Acres: The parcel is approximately 1.08 acres.

Site Description: This property is currently vacant.

Adjacent Land Use: Commercial uses to the north and south. Vacant commercial property to the west.

Surrounding Zoning: The property is surrounded by Highway Commercial to the north, south and west. Property to the east is outside of Locust city limits, but within our ETJs and zoned Open Space.

Utility Service Provider: The property will be served by public water through Stanly County Utilities, and sewer collection provided by the City of Locust.

EXHIBITS

1. Application for Zoning Change
2. Zoning Map
3. Site Plan
4. Proposed Elevations

LAND USE PLAN ANALYSIS

The property lies within the area designated on the adopted 2014 Land Use Plan for commercial uses.

The property is currently zoned Highway Commercial. This amendment is reasonable because the property is adjacent to existing commercial uses. The amendment allows for the growth and expansion of the City's commercial tax base and sales taxes, thus providing opportunities for local jobs for the community.

SITE SPECIFIC CONDITIONS

Applicant agrees to provide the following:

1. Establishment to follow the proposed site plan, signage and elevations.
2. Establishment to use a vinyl privacy fence for the dog play area.

FINDINGS AND CONCLUSIONS

The applicant submitted a Site Plan (Exhibit #3) and proposed elevations (Exhibit #4) for the overall development of the property that will be attached to the approval of the conditional rezoning should the City choose to support this request.

Staff has reviewed the Site Plan and finds that it meets the standards of the City of Locust Land Development Ordinance.

POLICY IMPLICATIONS

The City of Locust Land Development ordinance and the North Carolina General statutes require the Planning & Zoning Board to make a recommendation on the zoning amendment.

On July 28, 2022, the Locust Planning & Zoning Board reviewed the zoning amendment petition and voted unanimously to recommend ***approval*** of the proposed Highway Commercial – Conditional (HC-C) zoning designation.

Notice of the meeting and this agenda item have been publicized, letters have been mailed to all adjacent property owners within 500ft of the subject property, and a zoning hearing sign has been posted on the property.

The Council may vote to recommend approval, denial, or to modify the recommended classification in accordance with the adopted 2014 Land Use Plan.

SUGGESTED MOTION LANGUAGE

The following suggested motion language is provided as a guideline to assist City Council with references required for zoning amendments. The language may be altered as deemed appropriate by any member of the City Council in the making of a motion.

Suggested motion: “To approve the conditional rezoning request designating the subject property as Highway Commercial – Conditional (HC-C) with the associated site plan, signage, and proposed elevations, to be consistent with the 2014 Land Use Plan.
